ADDITIONAL SERVICES

After hair and makeup are finished, Trio will do a quick touch-up, then leave. If you wish for Trio to stay through picture taking, an additional cost of \$50 per hour will be assessed. Also, if you'd like for Trio to do touch-ups between the ceremony and reception, that can be arranged.

* Trial-run is complimentary for committed clients (those for whom we have received a signed contract and deposit). For non-committed clients, we charge \$80 for a trial-run. If the bride books Trio, that amount will be credited to the final price.
